EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with applicants' representative, Ronald Kubovcik on August 8, 2005.

The application has been amended as follows: in claim 47, (vi) the word, "one" has been inserted after the word, "when".

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the terminal disclaimer filed by applicants on July 7, 2005 was approved, thereby obviating the obviousness-type double patenting rejection of record, and as such, the instant claims are now allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
